Your unofficial MELAB Score Report will be issued to you by your testing center, and you may choose to authorize two official score reports, at no extra charge, for sending to schools and/or institutions only. If requested, official score reports will be sent automatically to the nominated addresses entered on this form. Clearly provide names and complete addresses of these institutions, indicating your level of study (undergraduate or graduate). CaMLA cannot meet specific delivery requests based on scores attained. To send additional official score reports, please complete the Additional Score Report Request form found on the CaMLA website. Test takers may also pay a fee for Rush Service, which guarantees that official score reports will be shipped to designated institutions approximately 7 business days following the receipt of all test materials from your test center. Provide a telephone number if you requested the Rush Service.
