

## At the Doctor's

### Can you understand what your doctor or nurse says to you?

What's the matter?  
Where does it hurt?  
Does this hurt?  
Tell me what happened.  
You have to go to bed today.  
You have to take this medicine.

### Things you might say when you're not well

I am not well.  
I feel terrible!  
I have a temperature.  
I hurt my arm.  
I hurt my leg.  
I hurt my foot.

I hurt my shoulder.

I have a headache.

I have an earache.

I have a stomachache.
