A professional photographer will take pictures of all students.

First, we will do individual pictures. Next, we will take a group photo of the whole class.

Be prepared:

- Bring your Student ID card.
- Bring a completed order form if you want extra copies of photos.
- Let your teacher know if you will be absent on September 4.

C. Comprehension Questions
True or False?

True False

1. Students have to make an appointment to get their picture taken.
2. A group photo will be taken for each class before individual photos.
3. Students don't need to bring anything.
4. Picture day is every Friday.
5. Students can order extra pictures.
6. Pictures are for the student ID cards.

Teacher Notes:

- **Pre-Reading:**
Teach the word *flyer* (also spelled *flier*); compare to *poster*, and ask where students see flyers in their everyday environments, and list or discuss the various purposes they serve.
- **Skimming/Scanning:**
Practice skimming/scanning skills by showing the graphic of the flyer for 1-3 seconds on a projector, then ask students what they noticed. Depending on students' proficiency levels, you may want to show the flyer a 2nd time for a few more seconds.
- **Predicting:**
Before students read for details, ask them to predict what they will read, based on the images, key words, and format.
- **Reading for Information:**
Before students read for details, complete vocabulary review exercises.
- **Comprehension questions:**
After students answer the true-false questions, go over the answers to make sure they correct all the false statements.
