# Confirm Which MET is Right For You

MET is securely offered both at home and at authorized test centers.  
Some organizations only accept MET taken from authorized test centers.

Make sure you verify with your chosen institution or program which MET you need **before** registering for your exam.

If you decide to take MET from an authorized test center, you will need to contact the center directly to register and schedule.

## For Test Takers

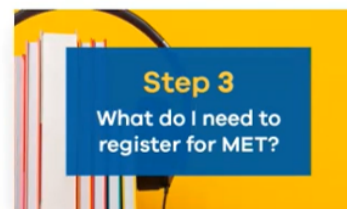

The Michigan English Test (MET) is an opportunity for university candidates and nursing/healthcare professionals to brighten their futures by certifying their English proficiency. It features a variety of exam options for test takers and can be taken from home or in-person at a Prometric or Michigan Authorized Test Center. Carefully read through the steps below before registering for your exam.

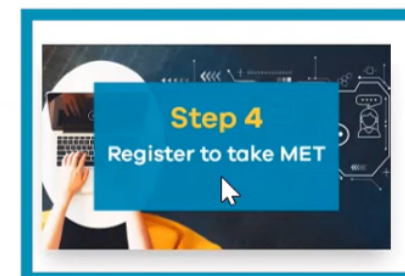

Read for a brief overview of the MET 2-skill and 4-skill, focusing on key features for test takers. Our 4-skill MET is the most popular as a complete assessment accepted for university admissions and professional licensure.

Read for more information on requesting test accommodations, retaking a section of the exam, and other exam-related procedures.

Read for everything you need to know prior to registering for the MET, including ID, payment, and other requirements.

Click to access our customer portal. This is where you will create an account and register for your exam. Five days after the completion of your exam, you will receive digital results here.

## Schedule Appointment

### Scheduling an Exam

Candidates must have completed registration with Michigan Language Assessment prior to scheduling an appointment. When registration is complete, candidates will be emailed a scheduling authorization with information on how to schedule their exam appointment with Prometric. Testing is available during both business days and on weekends in most locations.

### Cancellation or Rescheduling an Exam

All exam schedule changes must be made directly with Prometric online or by phone. A voice mail message is not an acceptable form of requesting an appointment be rescheduled or cancelled.

Candidates may reschedule or cancel an appointment without forfeiting their fee 30 or more days before the scheduled appointment date. Between 5-29 days prior to the appointment date, there is a \$100 fee to reschedule or cancel.

Within 5 days of the appointment date, reschedule of an appointment is not available. Candidates who cancel within 5 days of the appointment date will need to reapply before scheduling a new appointment.

### What to Expect on Exam Day

Candidates are required to be professional, civil and respectful at all times while testing. All exams are continuously monitored by video and audio recording.

### GLOBAL TEST SECURITY PROCEDURES

Prometric takes our role of providing a secure test environment seriously. During the check-in process, we inspect any and all eyeglasses, jewelry and other accessories to look for camera devices that could be used to capture exam content.

- You will be required to remove your eyeglasses for close visual inspection. These inspections will take a few seconds and will be done at check-in and again upon return from breaks before you begin or resume testing to ensure you do not violate any security protocol.
- Jewelry outside of wedding and engagement rings is prohibited. Please do not wear other jewelry during testing. Hair accessories, ties and bowties are subject to inspection. Please refrain from using ornate clips, combs, barrettes, headbands, tie clips, cuff links and other accessories as you may be prohibited from wearing them during testing and asked to remove these items. Violation of security protocol may result in the termination of your exam and notification to your test sponsor.

# Test Check-In Process

To successfully check into your exam, here are some of the key things you will need:

- Government issued, photo ID
- A clear and quiet workspace. You cannot have phones, docking station, notes, or paper on your working area. Other adults, children, or pets are not allowed during the test.
- Wired headphones or speakers only

You can have a clear glass or a bottle of water and a maximum of two tissues.

Your proctor will ask you to perform a 360° check of your workspace and will inform you if you need to remove or change anything before your test begins.

You should begin the check-in process at least 15 minutes before your scheduled test time to complete these checks.

# Watch a Video of the Check-In Process

Additional information on testing policies and security checks and a video exploring the remote testing check-in process can be found on Prometric's website.
